

**Your Partner in Risk Mitigation**

**Company Profile**

Preferred Alliance is an experienced third party administration firm dedicated to helping employers hire and maintain a low risk team of employees. Currently, Preferred Alliance has over 1800 employers under contract representing thousands of DOT covered employees. Additionally, there are over 800 Independent Owner Operators enrolled in our DOT program. Our DOT and non-DOT program administration is built around the following:

- **Over twenty years of third party administration (TPA) experience**
- **Expert understanding of the DOT-State Regulations**
- **Outstanding Preferred Provider Team**
- **SAPAA Commission Certification (C-SAPA)**
- **Dedicated Customer Service and Support**

Preferred Alliance, as the name implies, represents the best of the best. It has placed premier vendors in the substance abuse prevention industry under contract, negotiated preferred rates and assembled an experienced team to oversee their activities on a daily basis including:

- **Company Policy Review**
- **Program Design Consultation and Audits**
- **Substance Abuse Software System**
- **Blind Specimen Submissions**
- **Management Reports**
- **SAMSHA-Certified Labs**
- **Certified Medical Review Officers**
- **Case Management Support (Litigation Package)**
- **Consolidation/Integration of Other Risk Management Programs**
- **Optional EAP and SAP Services**

Preferred Alliance is home to a talented and tenured group of administration professionals that provides the firm with the expertise a third party administration organization demands. Officers and staff interact on a regular basis with Preferred customers providing information and support as needed. We feel this is one of the many characteristics that distinguishes Preferred Alliance as a leader in its field. When it comes to top-quality administration, there is no substitute for experience!
